The three rentals share the large, heated pool and 7 acres of grounds. The interior has a very modern feel with contemporary furnishings and decor. All fixtures and furnishings are high-quality. - Inside - Living Room: Full of light, this dual-aspect room has sofas around the fireplace and three large openings out to the south-facing terrace. The design is contemporary, with the bedroom and bathroom open-plan, and there is no door between them. - Outside - Libertine is part of a property of 2.8 ha (7 acres) of land, including a 5-acre lavender field. There are two other rental units on the property and the large pool and garden are shared. Libertine has a patio to the front facing the pool and lavender field, with shaded dining table. There is a great view of the Luberon mountain, and the perched, hill-top villages of Bonnieux and Lacoste. ...ue. There is also the sun-trap balcony off the bedroom upstairs, and that too faces south to the view. The property has plenty of off-street parking, and a boules court. Also on the grounds and out of the way is the caretakers' cottage: the caretakers are an English couple who know the area very well and can help with problems or local advice. One of the services they can provide is a daily breakfast delivery. -
