The house is formerly an old stone Provence farmhouse close to Bonnieux, with large pool and its own lavender field, and very non-traditional, designer decor. Bedrooms are spacious and en suite, bathrooms are superb, furnishings are high-end. This is a luxury rental house for 10 people + 4 on sofa-beds. The layout of the rooms makes it ideal for groups or families wanting the possibility of independence, but with spaces to all join up. Two of the bedrooms are designed like luxury hotel rooms over two floors and include their own living room and kitchen. - Inside - Living Room: A bright room with sofas and fireplace at one end and sleek designer kitchen at the other, opening to the terrace and pool through big french doors, and on the other side to the dining room. There is TV/DVD and WiFi internet throughout. Kitchen: In the main living room and designed to be unobtrusive, with white goods concealed and a long white work-top to blend into the room. The kitchen has induction stove, oven, dishwasher, and double fridge under the worktop. Dining Room: Adjoining the kitchen in a conservatory-style extension, providing a shaded place for meals, as an alternative to the main terrace facing south. Laundry Room: With washing machine. Guest WC: On the ground floor, next to the dining room. - Bedrooms - The house sleeps up to 14 people, with 5 large double bedrooms with en suite bathrooms sleeping 10, and two sofa-beds that can accommodate another 4 people. Sofa-beds are in the same space as the bedrooms so are better suited for children. There are no doors between a bedroom and its bathrooms/WC, everything is in one large space. Two of the bedrooms are on the ground floor. • Bedroom 1: This is a vast suite over two floors with living room downstairs. In one large space upstairs are the solid wooden bed and en suite bath...
