bath, walk-in shower, basin and separate WC. - Outside - The house is in a wonderful position high up and facing south over a wide tapestry of Provence countryside to the Luberon mountain. The view is best appreciated from the raised terrace outside the living room and kitchen, where dining table and relaxation area are set. From here you also have a lovely view of the village of Gordes on its promontory to the west. Below this terrace are the garden with lawn and olive trees, and the pool area, also with view. The garden is 2500 square metres, or 27,000 square ft. The pool is heated and measures 13m x 6m (42 x 20ft), with steps at one end. Instead of chlorine the pool has a UV filter system, which is great for the eyes and skin. For security the pool has an electronic sliding cover. There are sunloungers, sunchairs and parasols around the pool. By the pool is the poolhouse with summer kitchen (fridge, dishwasher, poolside tableware), gas BBQ, WC and two outdoor showers. For outdoor amusement there is a ping pong table, and a gravelled area for playing boules/petanque. For anyone who wants their own space, most of the bedrooms also have their own little patio with table and chairs. There is plenty of secure, gated parking at the back of the house. - Ref. : Domaine de Gordes
