The main house sleeps 6 in 3 double bedrooms. - Interior- Downstairs the living room, kitchen and dining room are all in one convivial space, and open out onto the garden, outside dining and BBQ. • Living Room: With suspended wood-burning stove and L-shaped sofa, this room is young at heart. The poolhouse can sleep 2 more people and is self-contained with kitchen and bathroom. - Exterior- The land goes from terrace to lawn, to vineyard to wooded hill. At the front of the house is the south-facing terrace with dining table and bbq. There are comfortable seating and lounging areas by the lawn. The pool is set 60 metres from the house, and offers a wonderful view northward to Mont Ventoux and all around. The pool is heated, and also big enough to swim lengths, 17m x 5m. It has an electronic sliding cover for security. Around the pool is a large decked area with funky sunloungers. The pool-house has a kitchen with cooker, microwave, fridge and dishwasher.
