An interior-designed, 18th-century farmhouse, converted into a luxury rental home for up to 10 people. The house is in Luberon countryside between the gorgeous perched villages of Menerbes and Lacoste. If the style is Provencal, the comforts and furnishings are modern, as is the heated pool. The house is built around the sheltered, stone-paved central courtyard in the typical Provence manner, with garden and pool to the rear of the property. - Inside - • Living Room: Forming one side of the courtyard, the living/dining room is a large and very light space with comfortable sofas and armchair, as well as dining table. There is satellite TV with French and English-language channels, as well as Apple TV which allows you to watch films and programmes on your iTunes account. There are two Bose iPod docks in the house, and WiFi internet. • Kitchen: The kitchen is very well equipped, with 5-ring stove, big oven, fridge-freezer, dishwasher, coffee machine and all the gadgets a cook might want. • Laundry Room: With washing machine and tumble dryer. Guest WC: On the ground floor. - Bedrooms - The house sleeps 10 people in 5 bedrooms, with 5 bathrooms. One bedroom is on the ground floor, the others are upstairs. Beds and bedlinens are all high quality. • Bedroom 1: Accessed up steps from the courtyard, a stunning room and en suite, with view south over the garden. This room is air conditioned. The bed is an American king, 1.8m/6ft-wide. Opposite the bed is hidden away the satellite TV, Apple TV, Sonos sound system, and video library with Synology. The en suite bathroom has a pedestal bath, with walk-in shower behind, double basins and toilet. • Bedroom 2: On the ground floor, bedroom 2 has exposed beams, antique furnishings and modern bed measuring 1.6m/5.25ft wide. The large bathroom has a clawfoot bath, walk-in shower, d...
